TABLE OF CONTENTS

- A. [Basic Information](#)
- B. [Directories & File Uses](#)
- C. [About Google Map Configuration](#)
- D. [Still have a question?](#)
- E. [Contact US](#)

A) Basic Information

- **Environment Setup** - Please visit this link and setup Expo CLI <https://reactnative.dev/docs/environment-setup>
- **Run our app with Expo** - Open **rn-CityTruckAdmin** folder on your selected IDE (VSCode is Recommended). Then follow below step.
 - Run **npm install** command in terminal.
Note: If you get error in **npm install** then please try **yarn install** or **npm install --legacy-peer-deps**.
 - Run **npm start** or **expo start** command in terminal.
 - After above command Expo start metro server and open webpage. In this webpage you get QR code. You can scan that QR Code in **Expo Client** App. Congratulation, Your app run successfully.
- For more detail please visit this link <https://docs.expo.io/workflow/expo-cli/>
- **Build & Release App-** <https://docs.expo.dev/build/introduction/>

B) Directories & File Uses

- **assets(Folder)** - Put all Static images & fonts in this folder

	.git	22-09-2023 10:56	File folder	
	.vscode	20-09-2023 09:52	File folder	
	assets	22-09-2023 10:01	File folder

yarn.lock	22-09-2023 10:56	LOCK File	295 KB

C) About Google Map Configuration

You need Google Map Api key for Accessing Google Map.

- Put that api key in 2 places in our code.
 1. **rn-CityTruckAdmin/constants/key.js** line number 2.
(Please refer below image)

```

1  export const Key = {
2    apiKey: 'YOUR GOOGLE MAP API KEY HERE',
3  }

```

2. **rn-CityTruckAdmin/app.json** line number 31.
(Please refer below image)

```

30  "googleMaps": {
31    "apiKey": 'YOUR GOOGLE MAP API KEY HERE',
32  }

```

D) Still Have a Question?

Please mail us on rendercodetechnology@gmail.com

E) Contact US

If you have any kind of problem with this code then please mail us on rendercodetechnology@gmail.com

If you have any project in flutter then please contact us. We are experience flutter developer team and build high quality apps for android and ios.

Once again, thank you so much for purchasing this item. As I said at the beginning, I'd be glad to help you if you have any questions relating to this item. No guarantees, but I'll do my best to assist. If you have a more general question relating to the application on Codecanyon, you might consider visiting the forums and asking your question in the "Item Discussion" section.
